Contract Terminated (Disconnection Notice)

As we have not received the requested deposit payment of DKK «amount» before the deadline, we now terminate your electricity contract for the address:_____.

The termination becomes effective three working days after you receive this letter.

Disconnection of Electricity Supply

Your electricity supply will be disconnected on the _____ or as soon as possible thereafter.

You **cannot** prevent the disconnection by paying the electrician who comes to disconnect your electricity. A disconnection fee will be charged to your account.

You can avoid the disconnection of your electricity supply; if you enter into a new electricity contract with another electricity supplier; and if the new supplier starts supplying electricity to you no later than the day before we carry out the disconnection.

Formal debt recovery proceedings will commence.

If the electrician cannot gain access to your meter, your electricity supply will be disconnected with the assistance of the bailiff, and a locksmith. The costs of involving the bailiff amount to approx. DKK 4,500. You are liable to pay this expense along with the outstanding amount.

EWII disclaims all liability for any consequential damage that may arise due to the disconnection.

Should you still want EWII to supply your electricity, it is important that you contact our debt collection department as soon as possible after having received the contract termination letter regarding the further process and payment. The telephone number is 7363 3080 and the telephones are open Monday - Thursday 08.30 - 16.00 and Friday 08.30 - 15.00.

Sincerely,

EWII A/S
